Euer Exzellenz beehre ich mich in Erwiderung der schätzbarsten Note vom 16. vor. Mts. ergebenst mitzuteilen, dab ich nicht verfehlt habe das Anliegen der israelitischen Gemeinden der Schweiz wegen des Schutzes der
Orte und der judaischen Bevölkerung von Jerusalem zur
Kenntnis des Auswärtigen Amtes in Berlin zu bringen.
Es ist mir hierauf von dort erwidert worden, es liege
nach den daselbst eingetroffenen Nachrichten keinerlei
Anlab zu der Befürchtung vor, daß die Türkischen Behörden
in Palästina besondere, gegen die jüdische Bevölkerung
gerichtete Nabnahmen zur Anwendung bringen könnten. Auch
wisse das Auswärtige Amt, daß die heilige Stadt und alle
Stätten, die den Gegenstand der christlichen oder jüdischen Verehrung bilden, sowelt es die militärischen Notwendigkeiten irgend gestatten, geschont und geschützt werden.

Genehmigen Euer Exzellenz auch bei diesem Anlak die Versicherung meiner ausgezeichnetsten Hochachtung.

Letterhead of the Foreign Ministry of the Kingdom of Bavaria

8 December 1917

To His Excellency, Herr Apostolic Nuncio Monsignor Eugenio Pacelli, Archbishop of Sardi, in Munich:

I am honored to transmit to Your Excellency my reply to your most estimable note of the 16th of last month, to inform you that I have not failed to attend to the request of the Israelite communities in Switzerland regarding the protection of the villages and the Jewish population of Jerusalem, and to make this known to the Foreign Office in Berlin. They have replied to me in this matter that, according to reports they've received from there, there is no occasion to fear that the Turkish authorities in Palestine would bring special measures to bear against the Jewish population. The Foreign Office also realizes that the Holy City and all other places which are objects of Christian or Jewish veneration will be protected and spared, as military necessities permit.

Allow me to take this opportunity to assure your Excellency of my highest regard.
