Dear Meredith and Gary,

It was wonderful to meet you both on your recent visit to Jerusalem and to experience with you the Mitzvah of distributing the winter quilts to the elderly Holocaust Survivors of "Beit Gil Hazahav" Sheltered Housing Unit.

On behalf of all of the residents, I would like to convey a huge "THANK YOU!". It was so moving to see the excitement and enthusiasm that was generated. All the recipients were so appreciative of the tremendous act of generosity that you facilitated and I am told that they were thrilled with the quilts that are just perfect.

Even though the quilts are needed urgently, these individuals certainly do not have the means to purchase them. It is not only possible for them to pass the winter with far more comfort, but its also reassuring for them to know that generous people like you are thinking of them.

These people have suffered so much, one more step to improve the quality of the last stage of their lives has been taken, thanks to your thoughtfulness and drive.

I would like to express my sincere gratitude again for organizing bringing this wonderful project into fruition. It is our hope that we can look forward to many more opportunities to meet and cooperate in the near future!

Many thanks again for your benevolence,

Kind Regards,

Uriel Malul (Director, "Ichlu Reim" Soup Kitchen)
